

### **Update January 2009**

The scoping document has been completed and the Advisory Group will meet on the 29 January to review the recommendations and findings.

For further information, please contact the Industry Standards and Development Manager [dougp@esito.org.nz](mailto:dougp@esito.org.nz) or Industry Standards and Development Coordinator [natalies@esito.org.nz](mailto:natalies@esito.org.nz)

### **Update September 2008**

The method document has been endorsed by Peer Review. The Peer Review was conducted by Dr Jacqueline Leckie - Senior Lecturer, Social Anthropology, University of Otago.

### **Update July 2008**

The methodology for the pilot project was presented to the Advisory Group in June 2008 for endorsement. It will then be submitted for Peer Review in August 2008.

### **Update June 2008**

The Tertiary Education Commission approved the pilot project in December 2007. Since then, we have achieved the following milestones:

- 21 trainees signed up to participate
- Secured Gary Nicol and Associates as our research partner [www.garynicol.net](http://www.garynicol.net)
- Confirmed participants in the Advisory Group.
- Scoping interviews held with Industry companies
